President's Message

VNA Convention: Our last Board meeting in Richmond on May 3 concentrated greatly on preparatory actions for our 57th annual VNA Convention and Coin Show in Fredericksburg on September 24-27. Issues included advertising, bourse status, and educational programs. One area for which we are seeking volunteers is preparation of exhibits. We have added this year a youth category, so what a lot of fun a parent-child project like this could be! If interested, contact Jack Hepler (heplerj@juno.com) and see pages 17-18. Speaking of volunteers, we always are in need of people to help us handle the many duties associated with putting on a function of this magnitude. Do contact Bourse Chairman, John Cunningham (cunningham314@verizon.net) to offer your services.

Banquet Speaker: I am very pleased to notify you that Walt Ostromecki, President of the American Numismatic Association, has accepted our invitation to be principal speaker at our convention's banquet on the evening of September 26. We had a great speaker last year whom the attendees thoroughly enjoyed and fully expect a terrific presentation by the ANA president. In the coming months, you'll get the opportunity to obtain tickets to the banquet. Don't delay, because I think they will sell out quickly.

Sales Tax Exemption: I last reported two bills moving through the legislature to exempt sales tax on bullion-related sales. The hope was one of the bills would be made broader to cover legal tender. On March 26, Governor McAuliffe signed both bills without expanding the exemption to legal-tender coins and paper money. Efforts will continue to obtain an exemption.

ANA Board: One of our own, Steve Ellsworth, owner of Butternut Coin, is running for the Board of Governors of the ANA. It would be nice for our state and our association to be represented on the ANA board. I recommend we support Steve in his quest.

VNA Board Meeting: The next meeting of the VNA Board of Governors will be Sunday, July 26, 2015 at the site of the Annandale Coin Show, the Northern Virginia Community College. Meeting will begin at 8:00 AM and all VNA members are welcome to attend.

Editor's Corner

VNA Youth Education Program - The VNA would like to thank donors of coins, tokens, medals, currency, and collector supplies given to our Youth Educational Program. Donors include John Dorman (VNA), Parry Bragg (VNA), George Watson (VNA), Terry Hess (Terry's Exonumia, Henderson, TN), Art Kasson (Winchester Coin Club), and Rob Lehman (The Reeded Edge, Cumberland, MD) and all those not mentioned who donated or worked behind the scenes to make our education program a success. Thank you! The VNA is a non-profit 501(c)(3) organization dedicated to educating, encouraging and promoting interest in numismatics. John Philips-VNA Education Director continues to seek donations of old Red Books, blue Whitman collection albums, foreign coins or currency, wheat and Indian pennies, "V" and Buffalo nickels, wooden nickels, tokens, Mardi Gras doubloons, plastic magnifying glasses, coin tube holders, old coin publications, and most anything numismatic and educational.

Frank Hannah

Frank Renick Hannah passed away on February 28, 2015, at the age of 89. Born in Wayne, Pennsylvania, he grew up in Fincastle, VA and was a resident of Hampton for 55 years, before moving to Suffolk in 2013. Frank was married 52 years to Margery West Hannah. He is survived by his sons Clif (Kim) and Bill (Barbara); by his five grandchildren Josh (Sandi), Matthew (Lizzie), Spencer, Forrest, and Caitlyn; and by his three great-grandchildren Autumn, Miranda, and Sean. Frank joined the Coast Guard at the age of 17, and enjoyed many adventures all over the world. When he returned to civilian life, he attended college in Atlanta, where he majored in graphic arts. It was there that he met his future wife, Margery. They were married in 1953, and moved to Hampton in

1958. Frank was the head of the Graphic Arts Department of WVEC for many years, before starting his own business, Multi-Print, in 1970. Affectionately known as "Big Dad," Frank will be remembered for his love of family and his wonderful sense of humor. He was generous with his friends and his community; liked and respected by those who knew him. Frank served as VNA President in the late 1960s, became the third VNA "Life Member" (LM-3), was an avid numismatist, and a leading national authority on obsolete paper money. Frank's son, Billy Hannah remembers family vacations were always in September, and included taking part in the VNA Convention. Frank was honored by the American Numismatic Association in 1983 becoming a Numismatic Ambassador. Frank truly loved the world of numismatics.

Dutch Coins in Australia- Part 2

By Michael Tichy

Reprinted by special agreement with The Australian Numismatic Society
The coins shown below won the Best Display vote at the 2012 ANS Conference.

The very first Dutch Ducat of 23 2/3 karat or 0.986 gold was minted in 1586 shortly after the seven Dutch Provinces declared independence from Philip II of Spain. Let's have look on the classic design:

On the obverse, because the Netherlands were a republic, there is no head of the King but an anonymous knight holding a sword and seven arrows representing the seven united provinces. Date and legend around: "CONCORDIA RES PARVAE CRESCUNT" loosely translates "Unity makes small things grow", followed by a short legend indicating the province where the Ducat was minted, in this case Zeeland province. The reverse shows the shortened legend which reads: "MONETA ORDINUM PROVINCIARUM FOEDERATORUM BELGICARUM AD LEGEM IMPERII" which loosely translates: "Money of the United Provinces of Belgium in accordance with the law of the imperium". Belgium is an old Latin name for all Netherlands or Low countries, not only for the Kingdom of Belgium. The golden Ducats were minted in all provinces (except Groningen) and also in the Hanseatic cities like Dordrecht, Zwolle and Kampen. A little bit different design has the Ducat of 1595 from West Friesland, so called "Hungarian type." Historically the region of West Friesland is often mistakenly connected with Friesland

province which is actually across the water. In fact, West Friesland was part of Holland province but with some degree of autonomy.

Hungarian Type

Ducat of the Utrecht province 1596, the legend for Utrecht is TRA or TRAI is short for the Latin “Trajectum.”

Again a little bit different design has this Ducat (above) from the City of Kampen 1603, with title of Rudolf II. Cities like Kampen, Dordrecht and Zwolle were members of the Hanseatic League and because they had some privileges granted them by the Holy Roman Emperor, they often included the Holy Roman Emperor of the day on their coins.

Overijssel province 1614, the legend for Overijssel is TRAN, is short for Transisalanian

Friesland province 1615, the legend is FRI

Gelderland province 1636, the older type, the legend is GEL

City of Zwolle with title of Emperor Ferdinand II.

Another Ducat from city of Zwolle, this time with title of Ferdinand III.

Holland province 1757, the legend is HOL

One more from Gelderland, 1760, this time the newer design. After the year 1708 was the legend GEL replaced with D.G.&C.Z. meaning Duchy of Gelderland and the County of Zutphen.

West Friesland 1761, the newer design, with a nice mintmark of the Hoorn mint, the rooster.

In mid-December 1790 the Dutch ship Waaksamheys arrived in Sydney Cove carrying some provisions from Batavia for the starving colony and it started a slow but steady infiltration of Dutch coins into NSW, perhaps including Leeuwendaalders or “Lion Dollars,” minted since 1575, mainly for foreign trade. The lion dollar circulated through the Middle East and was imitated in several German and Italian cities. It was also popular in the Dutch East Indies as well as in the Dutch New Netherlands Colony (today’s New York) and also circulated through the English colonies during the

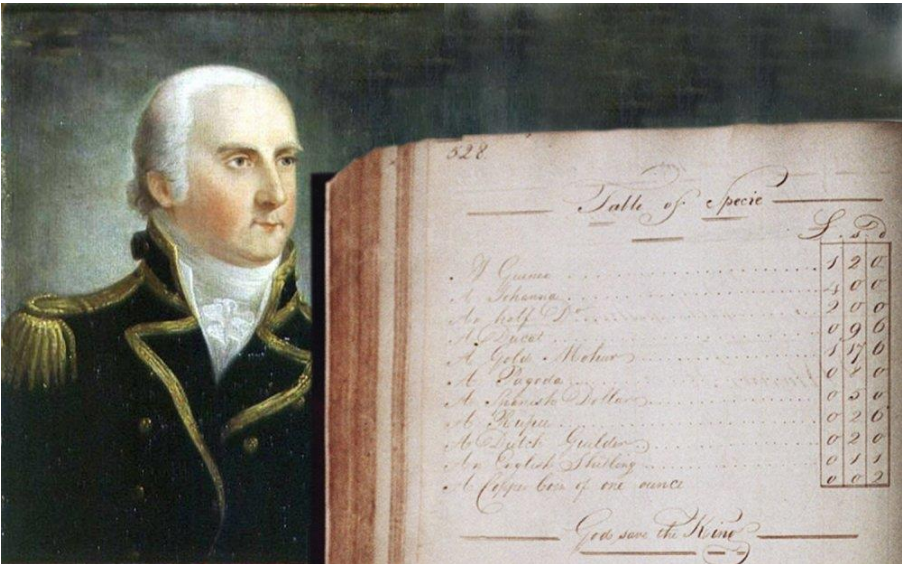

Seventeenth and early Eighteenth centuries. Examples circulating in the colonies were usually fairly well worn so that the design was not fully recognizable, for this and also for the lower silver contents they were sometimes referred to as "dog dollars."

1623 Lion Dollar of West Friesland

Or perhaps this 1750 six stuivers with beautiful sailing ship, or this 1749 ten stuivers, alias “half gulden,” could have been introduced to Sydney Cove.

And here comes for every true Australian Numismatist the prominent year 1800 and governor King’s famous eleven Proclamation coins. Two Dutch coins became part of the official currency of the New South Wales colony, Fourth on the list is the golden Ducat and ninth is the silver Gulden (Guilder)

The first gulden, at 10.61g in 0.910 silver, was minted by the States of Holland and West Friesland in 1680. The original Gulden design featured Pallas Athena standing, holding a spear topped by a liberty cap in her right hand, resting her left hand on the book of Gospels. Gulden divided into 20 stuivers, each of 8 duits. The gulden gradually replaced other silver coin denominations circulating in the United Netherlands - florijn (28 stuivers), daalder (1½ guldens or 30 stuivers), rijksdaalder (2½ guldens or 50 stuivers), silver ducat (2½ guldens or 50 stuivers) and the silver rider ducaton (3 guldens or 60 stuivers). Gulden were minted until 2002, when it was replaced by the Euro.

And this is the last coin from my display, seemingly out of content. A Ducat minted by the Dutch Royal mint in 1999. As you can see, the design didn't change much in last 413 years. It's still a very beautiful coin with great appeal for collectors all around the world including Australia.
